

1. Christian Science: Jesus was the off-spring of Mary's self-conscious communion with God ... Christ is incorporeal, spiritual ... the divine idea of God ... Mary's conception of him was spiritual ... Jesus Christ is not God.
2. Unity: Jesus is the "I" in man, the self ... the divine-idea ... Reveal yourself to yourself by affirming I AM THE CHRIST.
3. Spiritualism: Christ is not the Son of God. Any just and perfect being is Christ ... nothing more than a medium of a high order ... not divine except in the sense that we are all divine.
4. Jehovah's Witnesses: Jesus Christ was a man – neither more nor less ... none other the archangel Michael ... God created him ... is dead – forever dead ... suffered everlasting destruction ... not resurrected bodily.
5. Theosophy: Christ is less an external Saviour than a living presence in the human spirit ... in time all men become Christ.
6. Rosicrucianism: The Son (Christ) is the highest initiate of the sun period ... not the only begotten Son of God
7. Bahaimism: Jesus Christ is only one of many manifestations of God ... one of many Messiahs ... His sufferings were no more than those of other prophets
8. Mormonism: Jesus is the brother of Lucifer.
9. Unitarianism: The dogma we deny is the exclusive divinity of Jesus Christ ... Our birth was as divine as that of Jesus.
10. Modernism: A man so good his deluded followers took him to be a god.
11. Christadelphianism: Jesus Christ is not divine.
